**NPGA Rules:** **Goats having the herd name of the judge's herd may not be shown under that judge.** NPGA requires that all animals 6 months of age or older must have a legible tattoo and/or microchip prior to being shown. Exhibitors shall not show any doe or buck in an NPGA sanctioned show with the herd name of the judge who is judging the show. This rule does not apply to wethers. Although the show chair, secretary, or designee will check the registration papers prior to the goat being shown to ensure that each goat has been entered in the correct age class and division, it is the ultimate responsibility of the exhibitor that the exhibitor's goat(s) is/are entered and shown in the correct class and division.

**Registration Papers:** Only animals with original registration papers or transfer of ownership (less than 90 days old) and registration papers will be allowed to show (with the exception of wethers.).

**Bring Only Healthy Animals:** Only healthy animals allowed on the fairgrounds. Animals having runny nose or eyes, coughs or other obvious signs of illness will be requested to leave the grounds unless

accompanied by a signed veterinarian statement that the animal is healthy. The decision of the show committee is final and entry fees will not be refunded.

**Master Champion:** *SPPGA* shows will be having the **Master Champion** competition offered at the beginning of each full show. There must be three PGCH does / bucks for each competition. Please enter your PGCH's on the entry form, and in the column for class please put MC. Entry fee is \$8.00 per goat, per class, per day entered. If you enter your animal and then are unable to bring it, please contact the show chair immediately so they can contact other owners in the event the show will not meet the required number.

**Prospect Wether Class:** The purpose of the class is for exhibitors to have the chance to show bucklings that are obviously going to be wethers, but have chosen not to castrate them at an early age. The class will be the first wether class judged, however these animals will not compete for the Best Wether and Reserve Best Wether. This class is limited to animals between the ages of 0 to 5 months that have not yet been castrated. **Please note that the cost to enter this class has been reduced to \$2.50 (\$4.50 for late entries).**

**Awards:** Class strip ribbons will be offered for first through fifth places in each class. During wethers, does, and bucks tickets for first through fifth places will be given in each class for a drawing to be held at the end of the show and cash prizes will be given. NPGA Rosette ribbons will be awarded to the Champion and Reserve Champion in each division and also to the Grand Champion and Reserve Grand Champion in the Registered Doe and Buck Divisions. Certificates will be awarded to Premier Breeder and Exhibitor each day.
