Donations/sponsors: The need for donations is evener greater this year. I love the idea of combining the youth show with the open show but I have now lost the revenue of the raffle. I would like to keep giving the kids the nice ribbons and champion awards. I feel it is extremely important that the kids have a show of their own. I need your help!!! If you would like too or if you know of someone that would like to help, with any amount, PLEASE contact me as soon as possible so I can get there name in the program. THANKS!!!
