NPGA Rules:

NPGA requires that all animals 6 months of age or older must have a legible tattoo and/or microchip prior to being shown.

Although the show chair, secretary, or designee will check the registration papers prior to the goat being shown to ensure that each goat has been entered in the correct age class and division, it is the ultimate responsibility of the exhibitor that the exhibitor's goat(s) is/are entered and shown in the correct class and division.

Registration Papers: Only animals with original registration papers or transfer of ownership (less than 90 days old) and registration papers will be allowed to show (with the exception of wethers.)

Prospect Wether Class: The purpose of the class is for exhibitors to have the chance to show bucklings that are obviously going to be wethers, but have chosen not to castrate them at a very early age. The class will be the first wether class judged, however these animals will not compete for the Best Wether and Reserve Best Wether. Animals entered in this class may be registered as a wether already. This class is limited to animals between the age of 0 to 5 months that have not yet been castrated. **Please note that the cost to enter this class has been reduced to \$4.50.**

Health Check: Only healthy animals allowed on fairgrounds. Animals with obvious signs of illness -- runny noses, eyes, cough -- will be requested to leave; entry fees will not be refunded.

Awards: Ribbons are awarded for 1st thru 5th places in each class. NPGA rosette ribbons are awarded to the Champion and Reserve Champion in each division and to the Grand Champion and Reserve Grand Champion in the Registered Doe and Buck division. NPGA rosette ribbons for Best and Reserve Best Wether.
