V. Old Business

- a. 2023 National Convention: Tammi mentioned the two options for convention as the Tehama District Fairgrounds and the Rolling Hills Casino facility. These would be estimated to be \$4,000-\$5,000 a day. The arena is \$400 a day and is enclosed with air conditioning. They have horse stalls available 10x10. These are charged at \$25 a day. She mentioned making the pens cheaper and add the cost to our facility fee or add the cost into banquet tickets if needed. Tammi mentioned looking into other outside sources to bring in pens for this event however we would pay more for the arena. This facility has catering, banquet rooms, RV camping, as well as the casino. The option to show out of horse trailers is also an option.
- b. Jt Struthers mentioned there may be an option to show at the Lassen County Fairgrounds for convention. He didn't have any current pricing at this time and will get back to us at the next show. As of now we will tentatively choose Corning as our facility but will wait to find out the cost of the Susanville location.
- c. It was discussed that within 2 weeks of this meeting there would be an e-mail sent out with the costs of the facilities as well as pen options for Corning. In the e-mail there would be information of a zoom or teams meeting to discuss and make a vote on our final votes as a club as to which location we would choose.
- d. We cannot pick a name for the convention until we know the location of the show.
